

2016 Christmas Hamper Collection

What: We are collecting non-perishable food for AOB families in need during the holiday season

Where: Block 2 Day 1 Class

How: Bring as many non-perishable items as you can **OR** make a monetary donation

Why: Many of our AOB families do not have the means to buy enough food to adequately support all the people in their family. This is our opportunity to support people in our school and ensure that they have enough to eat at home.
