Dear Edmonton Catholic School,

RE: ETS Service for the Upcoming ESD Changes on March 23 and 24

Edmonton Transit Service (ETS) has been informed that all Edmonton Catholic schools will dismiss at a later time on Thursday, March 23, and at an earlier time on Friday, March 24. Due to the large number of schools this applies to, ETS is unable to change schedules of the school special service; therefore, afternoon school specials for all Catholic schools will not operate during these two days.

The following provides regular transit service options for all Edmonton Catholic Junior High and High Schools on Thursday, March 23 and Friday, March 24, prior to Spring Break. Please share the following information with staff and students at the schools.

Archbishop MacDonald
Take Route 7, 125, 150, or 305.

Archbishop O'Leary & St. Cecilia
Take Route 152 or 153.

Austin O'Brien
Take Route 1, 4, 80, 94 or 112.

Blessed Oscar Romero
Take Route 2, 101, 103, 106, or 110.

Father Michael Troy
Take Route 69 or 89.

H. E. Beriault
Take Route 112.

Holy Family
Take Route 62.

Holy Trinity
Take Route 6, 8, 15, 59, 64, 65, 66, 70 or 74.

J.H. Picard
Take Route 70.

Louis St. Laurent
Take Route 17, 40, 41, 50, 53 or 74.

St. Brendan
Take Route 4 or 85.

St. Francis Xavier
Take Route 109, 113, 150, or 310.

St. Hilda
Take Route 6, 8, 15, 61 or 81.

St. Joseph
Take Route 8, 15 or 130.

St. Rose
Take Route 112.

St. Thomas More
Take Route 109, 113, 150, or 310.

ETS encourages schools to maintain the same weekly start and finish times throughout the year as this will result in consistent level of service that students depend on to get to and from school. Occasional changes to school dismissal times result in fewer travel options available on those days.

If students are not familiar with the schedules of the regular service, ETS has recently made it possible to track any bus anywhere, anytime. Download the recommended third-party app 'Transit' at transitapp.com, or use various ETS

real-time tools for mobile or desktop devices at takeETS.com/realtime to receive upcoming departures and arrivals in real-time.
