

EDMONTON CATHOLIC SCHOOLS

## **A Message to the School Communities In Ward 75**

**From Trustee John Acheson  
October 2016**

*Dear Parents and members of the school communities in Ward 75:*

*I trust your children have gotten off to a great start to their school year. I am confident that they will remain excited about their schooling experience as the year unfolds. You in turn can have confidence that your children will be provided with an outstanding academic education – an education that has been recognized as the best in the English-speaking world. But they will receive more; they will be provided with a Catholic education that introduces them to the good news of (knowing) Jesus Christ – as we have heard there is “Nothing More Beautiful”. All of this will be made possible because of the outstanding staff and administration that are working on behalf of your children in your school.*

*I hope to be in contact with your School Council during the year to discuss matters that they deem to be of importance. Perhaps I will also have the opportunity to meet many of you at various school functions. In the meantime if you have any suggestions regarding the District please do not hesitate to contact me.*

*Thank you for entrusting the care of your children to the Edmonton Catholic School Board.*
