

The Lunch Box

Cafeteria Contractor & Caterer: *Lisa Lastiwka*

Proudly Serving: *Austin O'Brien Catholic High School*

We are excited to be back for another year of serving homemade and healthy meals for our School.

WELCOME BACK and to the new students and staff, we are eager to meet and Welcome you to Austin O'Brien!

To Welcome you all to the Cafeteria, we have again provided a coupon on Registration Day that is to be used the first week of School for a "Free" fresh baked Cookie. Just bring your coupon in & enjoy! **Don't forget to use on or before Friday, September 16th.**

The majority of our Menu Selections will continue to remain the same – Our Regular All Day Menu which will still include **Breakfast Items** – Bagels, Toast, served until 10:00 & our **Regular Menu** of Sandwiches, Subs, Wraps, Burgers, Salads, Side Dishes & Baked Goods are available all day.

The **Daily Hot Special and Homemade Soup** served from 11:00 to 12:30 will continue to have some of your favorites - to name a few – (as we have over 20) Homemade Macaroni and Cheese, Taco Salad, Spaghetti, Chicken Wraps and of course we added some new ones. And again, the only day we serve seasoned baked French Fries and Poutines out of our Convection Ovens is "**FRIES-DAY**".

And as every Thursday is still Early Out, you need to start your day off right with "**The Big Breakfast**" only served every Thursday. Check out the Weekly Special Posting as it will change every week.

We will be opened at **8:00 a.m. everyday & close at 2:00 p.m.**

Our Regular Menu is always posted on the entrances to the Cafeteria & in the Cafeteria. The Daily Hot Special & Homemade Soup for the whole week is placed next to our Regular Menu every Monday. **You can also access all this on the School Website.**

Throughout the Summer, we review Menu Items & there could be more changes so make sure to stop in & check us out!

MEAL CARDS What's a Meal Card? It's purchased for \$20.00 at the Cafeteria in which we record the purchaser's name directly on the card and can only be used in the Cafeteria by that person. It's the size of a business card and is used just like cash. ***Parents, it's a great way to ensure your teenagers are using their meal money for its intent.***

MORE FREE COOKIES – HAPPY BIRTHDAY! Bring in your picture I.D. on your Birthday for a FREE COOKIE. Birthday falls on a non-school day come in on the immediate next school day for your cookie. Your Birthday is during Summer Break, no worries, we celebrate all July and August Birthdays on June 1st. Mark that on your Calendar!

ATTENTION STUDENTS – Have a Spare? Need some extra Cash? We are anticipating part time student workers may be needed during school hours &/or the lunch rush with flexible hours – not every day. No experience is necessary but you must enjoy working in the kitchen. See Lisa for more information.

We will continue to accept Cash or **Debit Cards**. In order to provide speedy service at lunch & minimize long line-ups, we ask, if you know you are going to have lunch we will gladly provide Cash Back before then. All you have to do is ask. Unfortunately, due to service charges we have to pay for every transaction, a \$3.00 minimum purchase is required in order to use your card.

Your comments and suggestions are always welcome as we are continually reviewing your Menu for Healthy Delicious Selections and strive to provide this for all to enjoy. If you are satisfied with our service and meals, let everyone know. If you were dissatisfied, kindly let us know!

Looking forward to Meeting You Seeing You Again!

Yours in "Homestyle Cooking"

Lisa Lastiwka
