Dear Parents/Guardians

September is Attendance Awareness Month and as a staff at AOB, we will do all we can to help your child succeed. This begins with attendance, as we can't help your child if they are not at school! Attendance in all classes increases their chance of success in high school and in life. Students who are absent from school with unexcused absences may be placed on attendance contracts. **An attendance contract does not allow students to have unexcused absences. If a student is choosing to not attend school, they will be placed on an in or out of school suspension, which could lead to their removal from AOB. They may then be able to return to AOB the next school year.**

Please help ensure your child attends regularly throughout the year. We cannot stress the importance of routine attendance with minimum late arrivals to those classes. For details about attendance please refer to PowerSchool. For Powerschool assistance, please call Mrs. Flammia in the General Office at 780-466-3161.

Thank you for helping us ensure a successful education for your child. Please contact the administration if you have any questions regarding this matter.

Sincerely,  
The staff of AOB
