Description

This year we are staging the exciting Musical, Catch Me if You Can. This play is based on the unbelievable true story of one of the most famous con artists of all time, Frank Abagnale Jr. In the heart of the 1960's this teenage boy dodged the law for years as he cashed millions of dollars' worth of fraudulent cheques while impersonating a Pan Am Pilot, a doctor, a teacher and a lawyer. After being caught by the devoted detective Carl Hanratty, Frank thinks the audience deserves to hear his version of the truth. In a television variety show style, he tells his fast paced story of running away from home, evading the law, falling in love and struggling to find his place in the world.

Receiving critical praise and four Tony Award nominations, this musical is sure to put a smile on your face.
