LOOKING FORWARD:

Athlete of the Week

The Team will be contacting coaches of all sports (past and current) to select a member to highlight on the AOB Instagram. We will check FOIP and create a graphic using photos provided by the Yearbook Team and their organized folders.

Event Promotion

The Leadership Team will be promoting all school events, not just leadership events. If you would like anything promoted and advertised on our Instagram, contact **Ms. Filice** to have a poster/graphic created.

We will also be sending out our posters to all staff to give everyone the opportunity to hang them in their classrooms. Thanks for your support in keeping AOB awesome.
