

The Series - Tie Breaking Rules

This Procedure of steps will be applied in order to break ties in rankings after Round Robin Play.

The last **(Step f)** will be applied only to teams tied for the **LAST PLAYOFF SPOT**.

If two or more teams are tied at the end of the preliminary round, the following criteria will be applied, in order:

- a. The team having the best ratio of won/lost matches, considering only matches played between the tied teams, will be ranked higher;
- b. The team having the best ratio of won/lost games, considering only matches played between the tied teams, will be ranked higher;
- c. The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher;
- d. The team having the best ratio of points for/against, considering only games played between the tied teams, will be ranked higher;
- e. The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher;
- f. Any game needed to break ties will be a single game, rally point scoring to 25 points with a 2 point difference to determine placing.
