a. Some course groups have more than 1 page so scroll to the bottom.

b. Look for prerequisite info in last 2 columns of the selection page. If you have not met the pre-requisite, you will not be able to select the course and/or complete your registration.

c. To select a course, use the checkbox on the left.

PLEASE NOTE THERE ARE 3 PREREQUISITE TYPES...

► Type 1:

   ► You must have passed the previous course with 50%. For example, to take English 20-2, you must have passed English 10-2 or English 10-1 with a mark of 50%.

► Type 2:

   ► **Teacher Recommendation**. You must see your advisor or subject area teacher to put a recommendation in PowerSchool before you can select that course and register for it.

► Type 3: **Concurrent Registration:** If you have not yet passed the prerequisite course, you must register for it at the same time as the course you want to take. For example, if you want to take Physics 30 but have not yet completed Physics 20, you will need to register for both Physics 20 and Physics 30 together.

Did you fail a course?
What are your next steps!

SUMMER SCHOOL REGISTRATION OPENS APRIL 7TH!!   :)

► If you have previously taken a course at AOB but did not pass, you will need to complete it through PASS or Summer School before moving on to the next level.

► For example, if you did not pass Social 10-1, you can retake it in Summer School. Once you successfully completed it, you will be eligible to enroll in Social 20-1 at AOB. Until then, you should enroll in Social 20-2 as an alternative.

FINAL STEP: SUBMIT

When you have made all your selections, scroll to the bottom and use submit button.

If you get a 'Request Submission Failed' notice, you must go back and fix the problem it indicates before you are done.

The registration system will only be open from March 9th-13th. After the 13th, students will only be able to review their course selection.

Please Note!

If you are currently taking a course, the system assumes you have passed it.

At the end of the semester, we will look to make sure you have passed your courses.

If you do not pass a pre-requisite course this year, your schedule will be automatically changed!
