

Austin O'Brien

Valedictorian Criteria

- **Must have completed all 3 years of high school at AOB**
- **Highest average of English 30-1, Social 30-1, Math 30-1/30-2, and 1 Science (choose from Physics 30, Chemistry 30, Biology 30 or Science 30)**
 - Philosophy is that the valedictorian should be a strong academic representative in all areas from the graduating class.
 - Math 30-2 is included because the course can be used as a University Entrance requirement into all faculties but Engineering. 30-1 levels are required for all other core subjects.
 - Math 31 is excluded on the basis of no diploma exam which also contributes to the exclusion of language courses and all options.
- **Averages to be used will be from the above courses using the blended S1 final mark with diploma result, as well as the mark in the respective courses that is 1 month from the Graduation Commencement Ceremony date**
