

EVERY GRADUATE MATTERS

Last year we organized a program in the school called “Every Graduate Matters” to provide financial assistance to a few of our fellow graduates. With this program, we were able to help a few students attend convocation and the graduation banquet. We believe all graduates deserve the opportunity to celebrate their accomplishment of graduating with their peers. We are asking that this program be shared with our community and if there is any way the SAC could help spread the word in hopes of continuing this initiative. We were fortunate to have received a grant from The Edmonton Catholic Schools Foundation last year but have recently depleted our funds. We will provide a tax receipt for any donations.
