Cheerleaders

This year AO'B's Cheerleading Squad participated in the annual Cheer Canada Competition. They won first place in the Novelty event, and fourth place in the Halftime performance. Helping the ten cheering beauties were four other beauties - Gary Kapitza, Matt O'Keefe, John Cutting and Darcy Ogonoski. As well, they placed third in the Harry Ainley Tri-Provincial Basketball Tournament, and sixth in the Victoria Redmen Tournament. Once again the girls did a great job cheering on the boys' basketball and football teams and representing AO'B.

TOP TO BOTTOM: Belinda Dawson, Carolyn Marko, Karen Pawluk, Sylvia Moellering, Colleen Pentalachuk, Bernie Opdenkamp, Gina Mancini, Carolyn Swanson, Leanne Chereparik, Angelica Hauke.

As a first year Co-ed team, we were A-w-e-s-o-m-e! We performed a demonstration at J. Percy page and received the "best stunt team" trophy. Our competitions began in February after practicing extremely hard, three times a week for five long months! We received 4th place in both the Victoria Redman Cheer competition and in the zone finals. We had an incredible weekend in Saskatoon in March where we won first prize at the University of Saskatoon as well as a cheque for \$500.00. We also brought home the gold medal at The Mustang Mania Cheer Extravaganza which was held the next day.

After qualifying for Provincials we travelled to Strathmore, Alberta the following weekend. We did exceptionally well placing third in the province as well as receiving the novice award for being the best first year team at provincials. We are most proud of winning the provincial banner for having the best Sportsmanship for 2004-2005 season, selected by the other teams and coaches throughout the province. We brought home the silver medal at the University of Alberta and were fourth at the West Edmonton Mall Grand Championship. We ended the season with a second place trophy in the super coed division at Ross Sheppard High School.

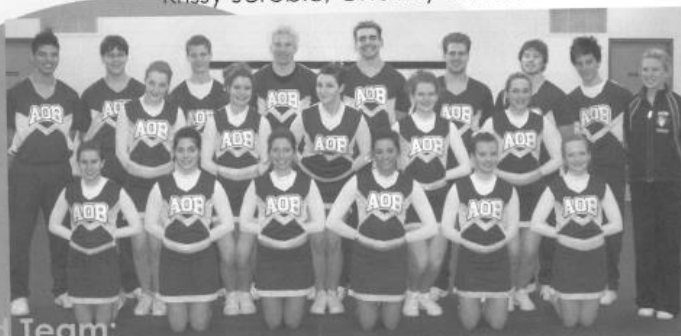

The team would like to sincerely thank their coaches, Jeannie Monilaws and Shaelyn Kisser for their amazing contribution of time, energy, skill/ technique and utmost dedication. A huge thank you to the teacher sponsors, Mrs. Lemiski and Mrs. Robichaud for all your time and commitment to the team. Good luck next season!

We had an awesome three years and would like to wish next year's squad all the good luck and continued success that we had this year. Thanks Jeannie and Shae for everything you have done to make our experience on the AOB cheer team so enjoyable and rewarding. Thanks to the teacher sponsors, Mrs. L and Mrs. R. for your dedication to the team. "Green and White. Crusaders Let's Fight".

Our cheer season was amazing!! We had a very dedicated and energetic group which was split into two teams this year. Our Co-ed Team was motivated, inspiring and positive. Their routine was at a high degree of difficulty and they placed at every competition. Their stunts, moves, gymnastic skills and cheer were top rate. Our first year Small Varsity Team was also sensational. This group of girls showed determination and excellence from the beginning. They never backed away from a challenge, which resulted in bringing home the Provincial Cheerleading Championship for 2006. We are so very proud of them all. Special congrats to Jeannie Monilaws and Shaelyn Kissner who were chosen from an elite group of nominees as the Alberta Cheerleading Association's Coaches of the Year! They have volunteered their talent, expertise, enthusiasm and hours and hours of time to our school and we are very thankful. AOB Cheer was also declared the ACA Sportsmanship Team of the Year. Thanks to all the team members for a sensational year! CHEERS!!

2006/2007 will go down in history as another great cheer season. The hours and hours of dedicated practice were well worth it. Both the Varsity and Co-ed Teams competed at Spruce Grove to begin the competition season in February. The two teams placed first in their respective divisions. The teams then travelled to Saskatoon. The results were amazing with Varsity placing third and Co-ed being awarded \$300.00 and the gold medal. Zone play-downs were held at Salisbury. For the first time in AOB Cheer, the Co-ed Team placed second and was automatically qualified for provincials in Red Deer. At provincials, the team performed its routine flawlessly and received the bronze medal. Next up was the Alberta Cheerleading Association's competition at West Edmonton Mall. Despite one member of the Co-ed squad being kicked in the face and earning a bloody nose, the team battled to win third place. At Ross Sheppard, the final event of the season was amazing.

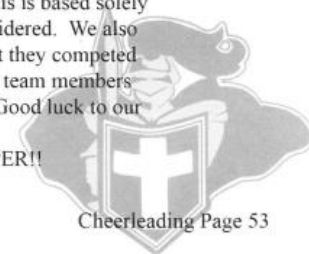

(Back Row) Breanna Raposo, Chantalle Stapleton, Katie Gibson-Hynes, Monique Hetu, Cora McEachern, Kelly-Ann Reid, Dena Walker, Monique Desaulniers, Shaelyn Kissner. (Front Row) Hayley Davis, Vani Rosete, Kohl Corden-Seria, Jenielle Anselmo, Malissa Jabbour, Leticia Fader.

The teams performed their routines with energy and precision. The Co-ed Team received the gold medal in their division and was also awarded second in the Grand Championships. This is based solely on the judges' scores in execution with all 146 teams at the competition being considered. We also introduced a Quad Team this year and this group of girls earned first in every event they competed at. WOW!! Thanks to our coaches for their selfless contributions and to all of our team members who worked so hard. We are blessed by your pride and dedication to AOB Cheer. Good luck to our graduating members!

CHEER TEAM 2008

This cheer season has been filled with memories to cherish. The team's first competition at the Agricom was a flawless routine and resulted with a second-place trophy. We continued at Victoria School of Performing Arts and brought home another second-place trophy. Austin O'Brien hosted Edmonton Zones on February 16, 2008. The cheer team is very grateful to the many parents, students and staff volunteers who gave up hours and hours of their time to ensure this event was a huge success. It was a fantastic day for all and AOB received third-place, qualifying us to go to provincials in Okotoks, Alberta. Provincials gave us the opportunity to see how cheerleading is growing outside of Edmonton. We were very proud to represent Austin O'Brien and we brought home another third-place standing. However, we were especially proud to be named the Sportsmanship Team of 2007/2008. This is the result of being nominated by other cheer teams and coaches throughout the province. We continued our season at West Edmonton Mall where we placed second. The final Edmonton cheer event was held at Ross Sheppard High School. We were amazing in this two-day double points competition and brought home a first-place trophy. The season was not over yet as we headed for the US Spirit Nationals in Orlando, Florida, during Spring Break. This experience was unforgettable and the team stood proud among the amazing US cheer teams by bringing home a final third-place trophy. This was a very good year!!! We will certainly never be the same without our graduating students. We wish you all good luck and hope to see you supporting us at events next year. We love you and we will miss you lots!!!

We had another successful, eventful and wonderful cheer season!! This was a rebuilding year as we had lost the majority of our veterans. After months of practice, we began our competitive season at Victoria School of Performing Arts and placed third. We were first at the University of Alberta event, and then we travelled to Saskatchewan to place first at the University of Saskatoon and Warman High School competitions. We were excited at placing third in zones at Jasper Place Composite High School which qualified us for provincials in Athabasca. Alberta Cheerleading Association and ASAA agreed to a two-day competitive event for provincials. This was a huge advantage for us. We were only two points from second place after the first run through on Friday evening. Coach Monilaws determined that the only way to improve our score was to increase our level of difficulty. We had a team meeting and were confident asking the members to attempt another stunt. However, we only had eight minutes of mat time to practice. The nerves were extreme, but the team did an amazing job. The result??? We placed SECOND at provincials which is a first in our team's history!! We were also chosen by other teams and coaches to be the Sportsmanship Team of the year. This is a huge honor as cheerleading is all about being friendly, demonstrating respect for our school and others as well as encouraging others to succeed. We continued with the West Edmonton Mall Alberta Cheerleading competition and placed second. We finished the season at the Ross Sheppard High School Cheerleading Championships where we also placed second. It was a great year with a fresh new team. Special thanks to Coach Monilaws for her dedication and foresight. Thanks to the Grade 12's who were fantastic leaders and best of luck in the future. Congratulations to Matt Hebert, future Edmonton Eskimos Cheer Team Member, for receiving the Outstanding Cheerleading Award and to Chantalle Stapleton for receiving the Unsung Hero Award. We will never forget any of you!

Cheer Team

This season brought another eventful and successful end to our cheer year!! We started with 11 new members because many of our veterans had graduated. After months of practice, we began our competitive season at Victoria School of Performing Arts and placed second. We were excited to be third in zones at Ross Sheppard High School which qualified us for provincials, a two-day total points event. We were only 2.4 points from second place in the province, but also very proud to bring home the bronze medal. We hosted the very first Junior High Cheerleading Provincials in February. This was a successful endeavour due mostly to the many teacher and parent volunteers. We continued with the West Edmonton Mall Alberta Cheerleading Competition and placed second. We finished the Alberta season at the Ross Sheppard High School Cheerleading Championships where we were able to break through and bring home first place. In April, we travelled to Vancouver for the Sea to Sky International Cheerleading Championships. It was a fun-filled two-day total points event and we were victorious bringing home the gold medal. This was a great year with our fresh new team. Special thanks to Coach Monilaws for her dedication and foresight. Thanks also to our Assistant Coaches, Eryn Lemiski and Matthew Hebert. Thank-you and best of luck to the Grade 12's who were great leaders. Congratulations to Dallas Kutnikoff, future member of the Edmonton Eskimos Cheer Team. Congratulations to Tasha Smith for receiving the AOB Outstanding Cheerleading Award and to Rachelle Davidson for the Unsung Hero Award. We will never forget any of you! We've got spirit...yes we do!! Varsity Cheer Team

In our tenth year of cheerleading at Austin O'Brien, another successful cheer season came to an end!! We are very proud to have been the only school in Alberta to showcase two teams; Small Varsity and Co-ed. With a large contingency of rookies and after five months of practicing Tuesday and Friday evenings and Sunday afternoons, we began our competitive season at Victoria School of Performing Arts in February. We continued on to zones where the Co-ed team earned a spot to compete in the two-day provincial championships in Brooks, Alberta. The team was amazing and brought home the silver medal. We continued with the West Edmonton Mall Alberta Cheerleading Association Competition. This is the largest cheer extravaganza in Canada. The Small Varsity team was flawless and rewarded with the gold medal. We concluded the season at the Ross Sheppard Cheerleading Championships and this time the Co-ed team was able to bring home the gold medal. Special thanks to Head Coach Monitaws for her dedication and foresight. Thanks also to our assistant coaches for the Co-ed team; Matthew Hebert, Eryn Lemiski and Dallas Kutnikoff. Thanks to our Small Varsity coaches; Rachelle Davidson and Tasha Smith. Thank-you and best of luck to our graduating Grade 12's; Alex Dragon, Shaena Bunce, Alicia Wotherspoon and Wyatt Sutor. The cheer team had another very successful competition season. We welcomed several rookies to the team this year and didn't take them long to figure things out. We were second at Provincials, but we placed first at Ross Sheppard and West Edmonton Mall. The routine was a crowd pleaser. Congratulations to the Grade 12 graduates and especially Jordan Kucy and Brennen Horan who are now on the Edmonton Eskimos Cheer Squad. Thanks to all the staff, coaches, parents and students who supported the team this season.

Cheer Team

Another successful cheer season came to an end after our 12th year of cheerleading at Austin O'Brien. During this time, we are very proud to have qualified for provincials 10 out of 12 seasons. With a large contingency of rookies this year and after five months of practicing Tuesday and Friday evenings as well as Sunday afternoons, we began our competitive season at Victoria School of Performing Arts in February. This resulted in a silver medal. We continued on to zones where our Co-ed team would earn a spot to compete in the two-day provincial championships. The Ross Sheppard Cheerleading Championships was a two-day total points event and we are proud to have brought home the first place gold medal. West Edmonton Mall Alberta Cheerleading Association Competition was next. This is the largest cheer extravaganza in Canada. We placed a very close third. Our final event was the ASAA provincial championship at Harry Ainlay High School. Although we were second in the province, we were certainly first in everyone's heart. Special thanks to Coaches Lade and Lang for their dedication and foresight. Thanks also to our assistant coach, Rachelle Davidson and to Brennan Horan for his assistance. Thank-you and best of luck to our graduating Grade 12's. We will never forget you. A-W-E-S-O-M-E....awesome, awesome, awesome...that's the way to be!

CHEERLEADING

The cheer team had a very successful season this year. We didn't have a gym in which to practise for most of our season, so we practised at St. Gabriel School. That school was very welcoming to us, and we even got to miss classes one day to perform some of our stunts for their staff and students! We entered 6 competitions between January and March, including a team trip to Calgary. We also performed for our school at Open House, Mardi Gras, and pep rally.

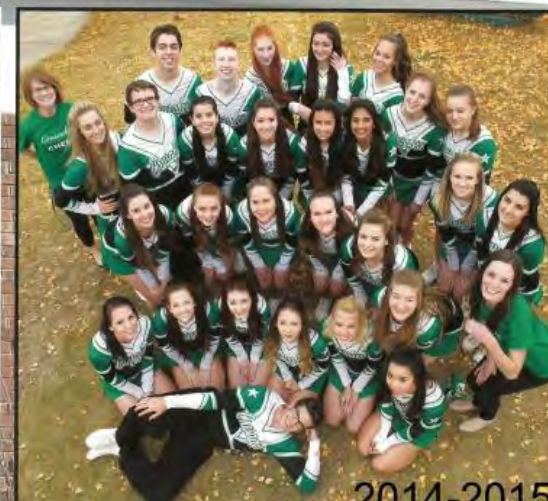

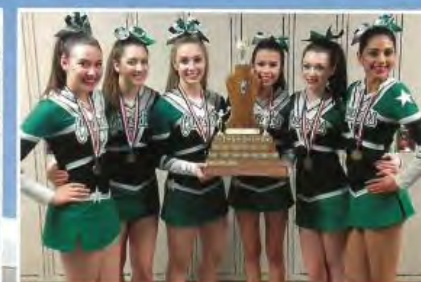

For her first year as head coach, Mrs. Lang certainly gave the team quite a year to remember! Our team came in first place in the Edmonton Zones competition and in the Alberta Provincial Cheerleading Championships. Winning first place in both of those competitions was a first for the AOB cheer team, and the 2014-2015 season will therefore go down in AOB cheer history.

This year's cheer team was a fantastic group of athletes. The coaches were very impressed with the skill level and drive that was shown throughout the season. AOB competed at a number of competitions in and around Edmonton. Our final competition was Cheerific in Spruce Grove and the Crusaders earned the first place title we had been looking for all season. The cheer team also performed at Mardi Gras, AOB's Pep Rallies, Open House and St. Gabe's elementary school. Thanks for a great season!

The cheer team had a very successful season this year. Mrs. Lang started us off before leaving for her maternity leave in the fall, and Ms. Fedor did a fantastic job taking over the teacher role on the team. The very dedicated Mrs. Lang (and baby Jake) even came back a couple times throughout the year to polish our routine. We entered several competitions between January and April, and we also performed for our school at Open House and at the pep rallies. In the Metro Edmonton Zones, AOB placed 4th and won a wild card spot to provincials! In the True North competition the team came in first in the super co-ed category. Our performance at provincials was outstanding - the best of the season! The AOB cheer team took home 3rd place in the co-ed division as well as the sportsmanship award at provincials.

This season, AOB welcomed an amazing group of girls onto the cheer mats, forming the second Austin O'Brien, All Girl team in twelve years. Although the group was small, it was full of large personalities and endless amounts of spirit. The season began with an abundance of newcomers, who were excited to learn and grow. This created a group that could quickly laugh, dance, and perform together. The tight bond carried the team into competitions with excitement, and the energy did not go unnoticed by judges. This was notable after the injuries and adversity faced by the team throughout the season. The team performed competitively and ended their season with a new best score, smiles on their faces, heads held high, and green glitter everywhere!
